MEMORANDUM FOR THE RECORD

SUBJECT: Concurrence in Amendment No. 6 to Contract No.
HF-CT-695 with The Perkin-Elmer Corporation,
Norwalk, Conn., Project CHALICE

25X1A

1. This memorandum contains a recommendation submitted for approval of the Deputy Director (Plans). Such recommendation is set forth in Paragraph 5.

2. Contract No. HF-CT-695 is an Open Call-Type contract which provides for the ordering of replenishment spare parts, kits, etc. by the Project and FOG Depots. The purpose of Amendment No. 6 to this contract is to obligate additional funds on the contract for replenishment parts to be ordered by the Project Depot prior to 30 June 1959.

25X1A

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.

SECRET

5. Approval of Amendment No. 6 to Contract No. HF-CT-695 and execution thereof on behalf of the Agency by the authorized Contracting Officer is recommended.
